

# Lesson 5 - Tips & activities

## DaDOM online teacher training

### Activity: Reflect and Swap

- Ask students to brainstorm and write down one idea for a simple musical interventions. This could include simple activities like singing a song, playing specific genres of music on the radio, or any other creative simple musical intervention they can come up with.
- Have students pair up and exchange their written ideas with a peer. Each student reviews their peer's idea and provides immediate feedback.
